HB 1544 - SB 1314

February 28, 2011

SUMMARY OF BILL: Specifies the Department of Treasury as the department administering the small and minority-owned business assistance program.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Current law directs the Department of Treasury to develop an assistance program for small and minority-owned businesses and directs the "Department" to administer such a program. Specifying the Department of Treasury as the department to administer the program does not change the duties or responsibility of the Department of Treasury and will not have a fiscal impact on state government.
